THE HOT ONES

ANTHOLOGY

2 PROLOGUE: Fresh, crisp, upbeat, prologue is the opening to our labor of love. Prologue is just a sample of tedious work and madness that Imprint staff pours into this book. A tantalizing glimpse that will lead you into the rest of "SOLID GOLD."

12 SENIORS: Seniors are the Grammy winners of A.P.H.S. The beautiful music they conjure up is a symphony that won't soon be forgotten. They will find that the golden moments they experienced at A.P. were the best times of their lives.

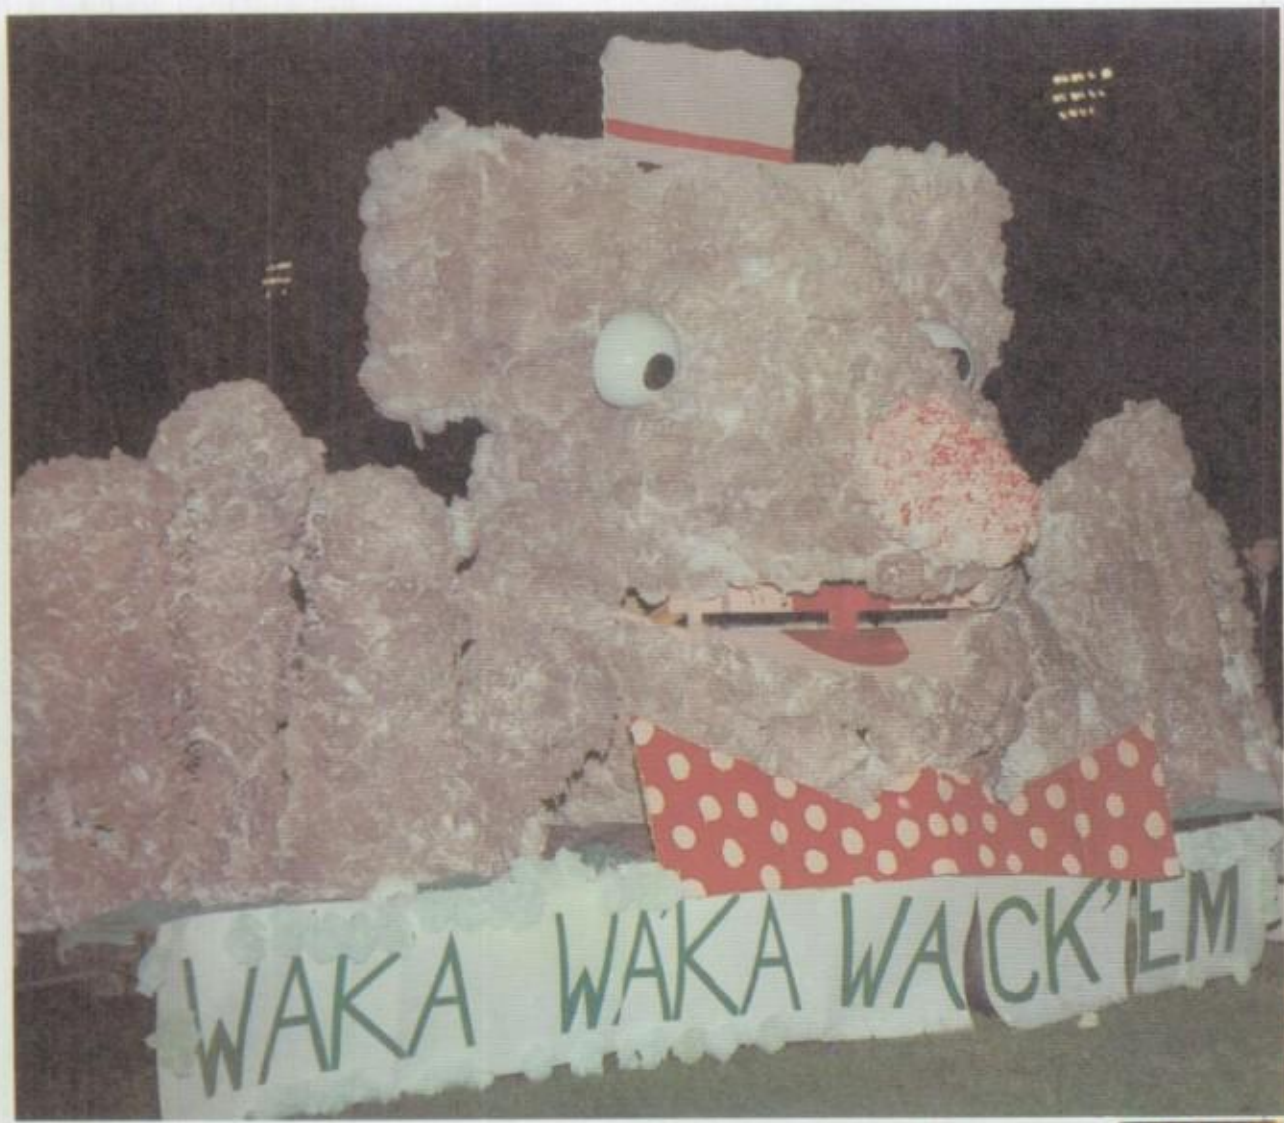
44 FEATURES: School life is not all work. Features bring to life the lighter side of A.P.H.S. Maybe we're not all good actors but then again we're not all good donkey basketball players either. We hug each other at Homecoming and almost kill each other during Spirit Week. Such is life at Allen Park High.

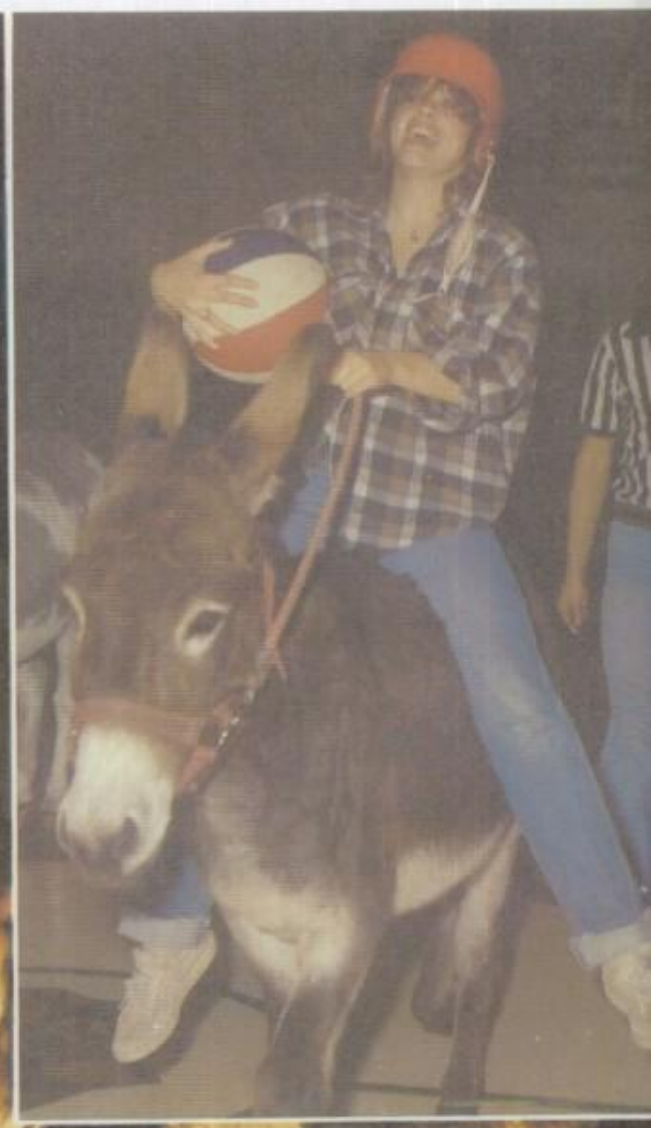
64 SPORTS: Not always champions in the win loss column but gold medal winners to all the fans at A.P. Win, lose, or draw, spectating or participating, sports are a very big part of life here at A.P.H.S. Roll On! Green Machine! Roll On!

112 FACULTY: Just like solid gold our teachers are guaranteed rust resistant. They are ageless wonders, always around to attend to the educational needs of our students. Through coaching us they help shape our future lives. God Bless their little gray heads!

136 UNDERCLASSMEN: There isn't a pot of gold at the end of the rainbow, just a land of munchkins. You take a lot of razzin' but, all you little people of Allen Park, we'd just like to say that you're something special and we couldn't make it without you.

202 ADS: You can't have bread without butter, cookies without milk, or rock-n-roll without stereo. So you can't have a yearbook without ads. With the generous donations of local businesses and our patrons this year's Imprint was made possible. Please patronize them, they've spent their money well.





Football games, float meetings, homecoming, powder puff, crowning of the king and queen, the donkey basketball game, spinster dance, spirit week, teacher turn-about-day, the "gong show,"

TURN

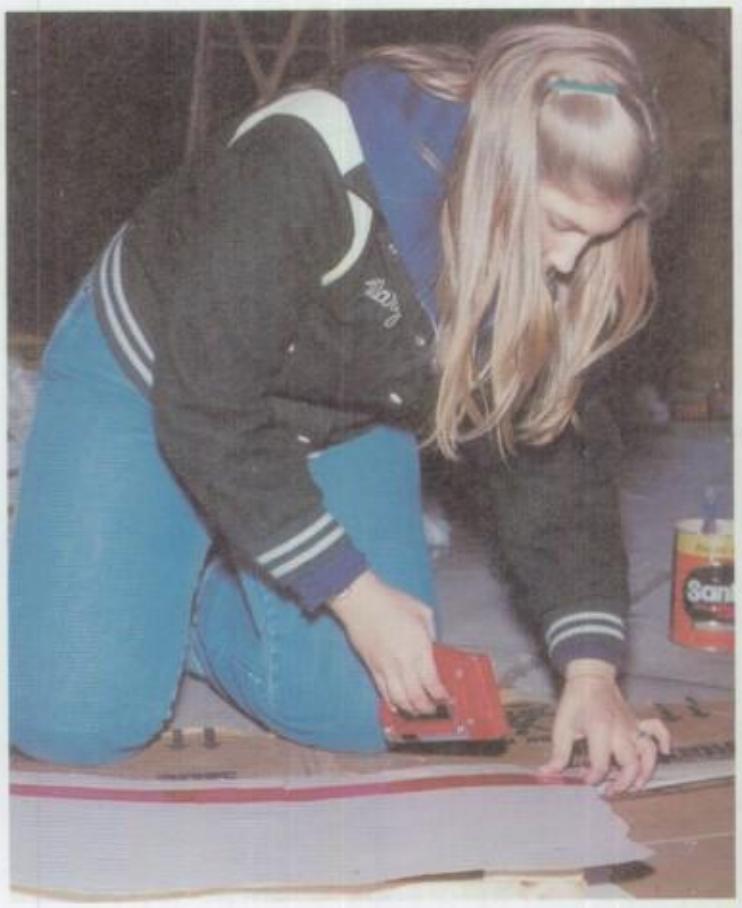
Junior-Senior hockey game, Junior and Senior proms, class picnics, and for Seniors the long awaited graduation day are the memorable events of our 1981-1982 school year.

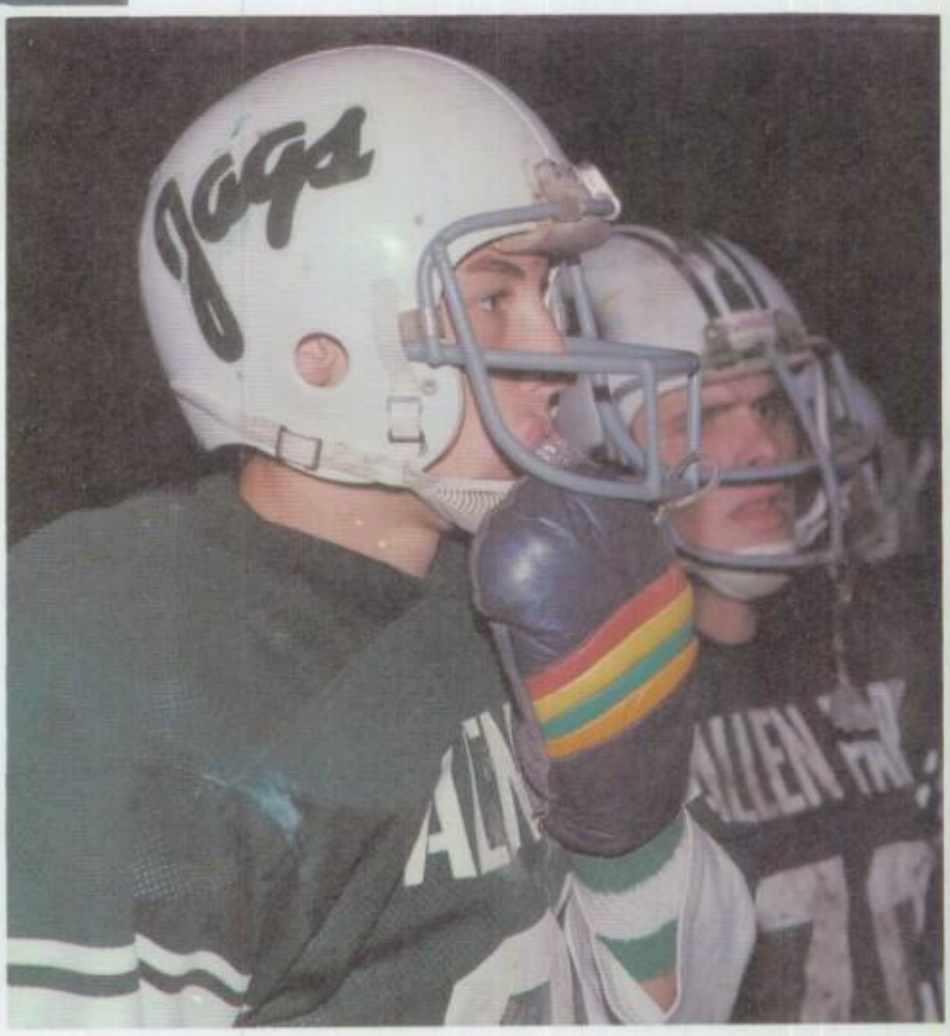
ME LOOSE

"TAKE OFF"

Humor helps to make a good day Eh. Just like the MacKenzie Brothers' "Great White North" album, going to school in Allen Park has its maniacal mad side, too. With a school full of hoseheads, teachers as well as students, how else could it be, Eh? Paint fights in the halls at spirit week and food fights at McDonald's! Just like the stooges Eh? And if you don't like it, you can just TAKE OFF TO THE GREAT WHITE NORTH!

DAY



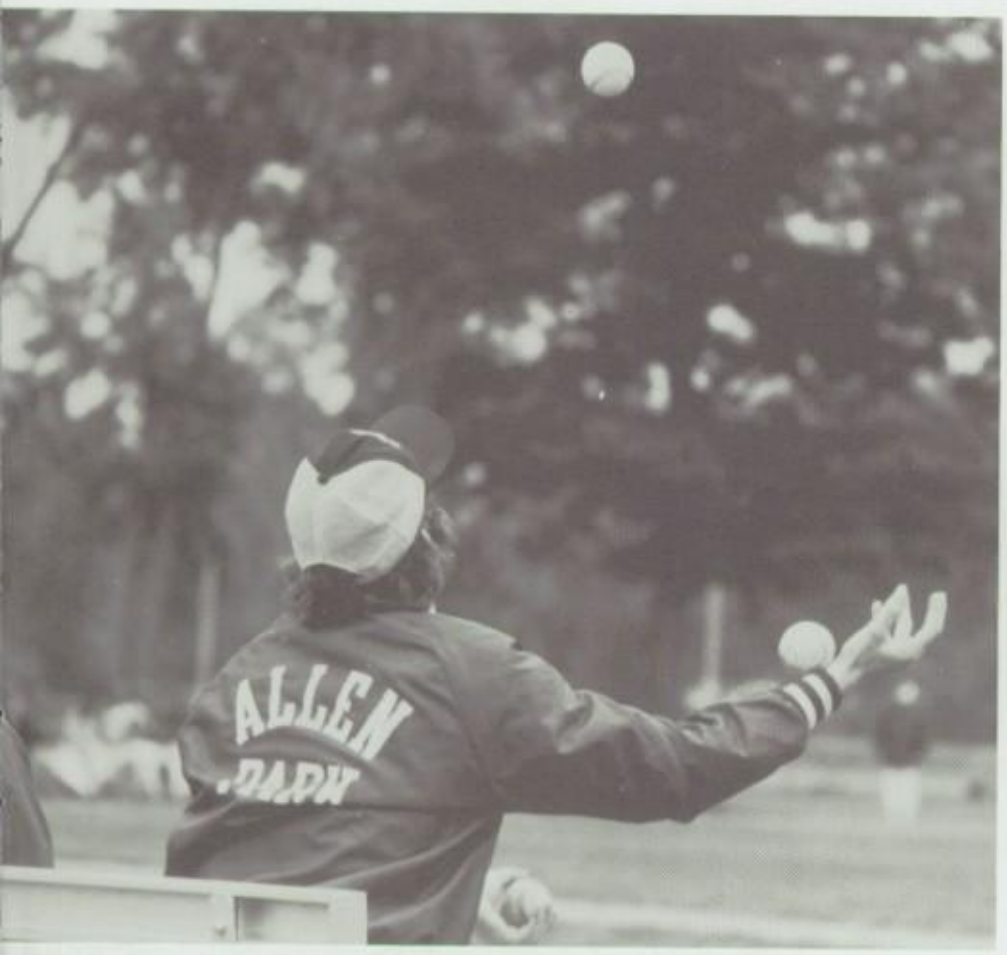


AFTER DAY

School is a wild frenzy between classes with rough and tough Seniors hardened by years of academic struggle at A.P.H.S., 'wild eyed Juniors wishing they were anywhere but here, squirrely Sophomores shuffling down the halls giggling at nothing in particular, and let us not forget the innocent little Freshmen who are yet to be corrupted by the system.

BUT SERIOUSLY

FOLKS



In spite of all the kidding around school is serious business. Studies are not to be taken lightly. You can run but you can't hide come test time. And to reach academic excellence everyone must burn a little midnight oil. Still it seems everyone makes it to the parties on Friday and Saturday night.

BEST OF TIMES

These are the best years of your life. High school is so much fun, especially your senior year. Seniors are the top banana, we triumphed with our Miss Piggy float. Senior women rolled over the junior girls in powderpuff and we maintain an iron clad grip on the spirit jug. Then at the end of the year everyone shakes our hand to show how much they appreciated us. Or maybe they're just glad to get rid of us?

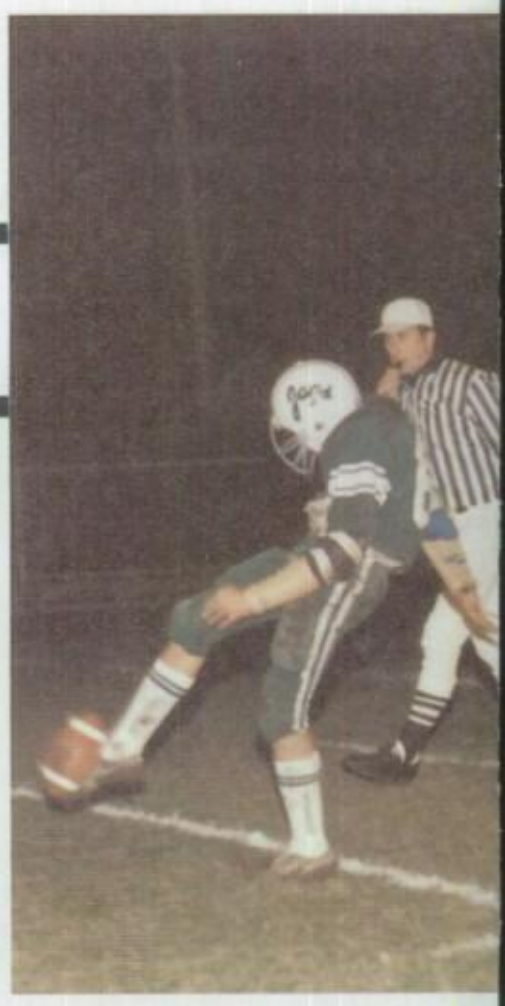
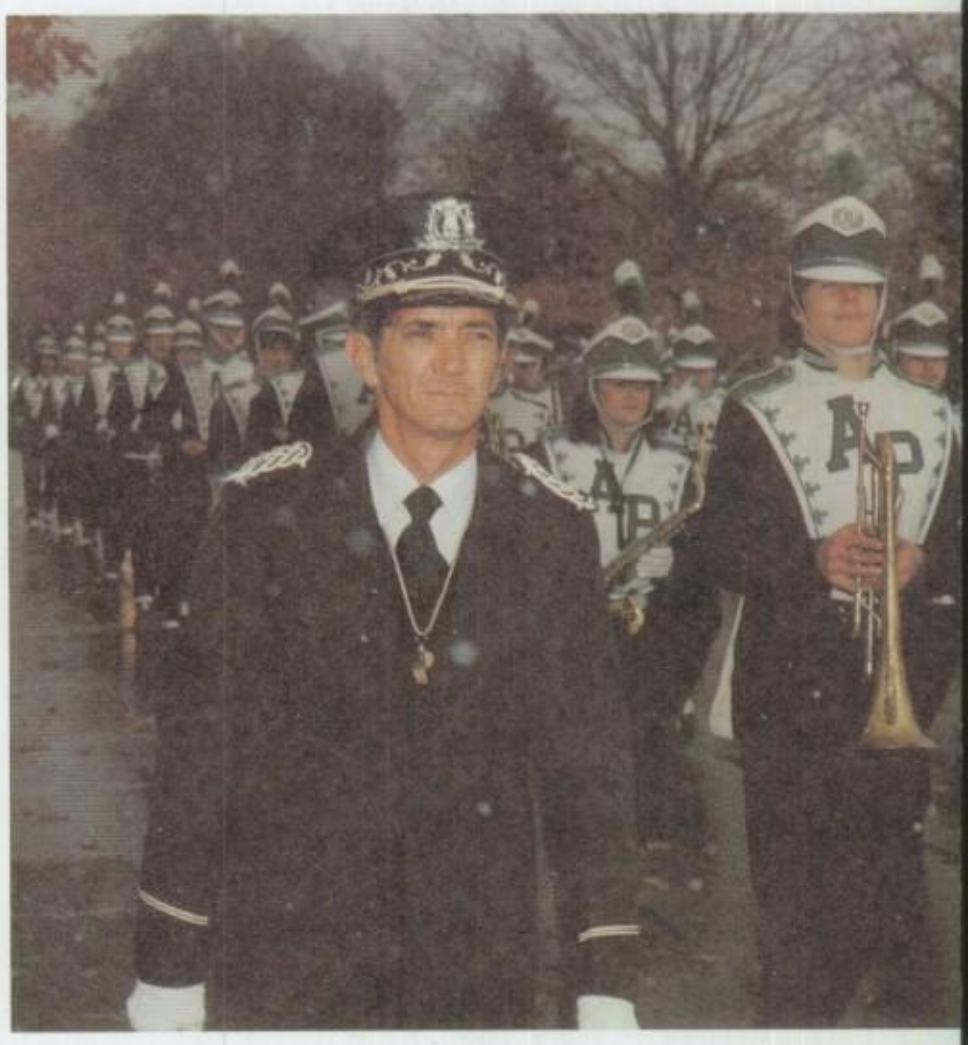
ALL NIGHT LONG



High winds, a snow storm, and very little sun greeted participants in the annual Homecoming parade. Despite the awful weather and all night float meetings the night before, everyone who was supposed to be in the celebration was there. The APHS Marching Band proudly led the parade, followed by student council officers, class officers, clowns and cheerleaders. Homecoming queens from the past ten years rode in the parade, joining tradition past with tradition present. And of course, there was this year's Homecoming court. After a blast of snow at the beginning, the parade completed its route with any problem. The floats went on to the football field to be judged by Dearborn High School's student council and the Kiwanis Club.

That evening the floats paraded once more around the track just before the football game, and winning floats were announced. The senior float, "Miss Piggy," had captured both the Kiwanis Club's Best Float award and student council's Best Class Float, while the band's "Fozzie Bear" won student council's Best Club Float. Jaguar fans watched an exciting half of football (the score at the half was 9-6) and anxiously awaited halftime events. The 1981 Homecoming Court — Diane Cernia, Lisa Kosaian, Diane Mantua, Rosanne Milewski, and Annie Weiss — were driven around the track, then mounted a stage while brief



biographies of each girl were read. Tension mounted as co-captains Bryan Ketzenberger and Greg Szczesny walked back and forth behind the girls until student council president Dave Bargamian announced the 1981 Queen . . . Diane Cernia. Diane limped off the stage and into her car for one more ride around the track just in time for the second half to start. Unfortunately — perhaps because of the departure of fans from the stands after the halftime presentation — the Jags dropped their momentum in the game and lost, 36-12. Jag fans didn't mind though — it had been an exciting day and the Homecoming dance was yet to come. **By SHELLEY FERGUSON**

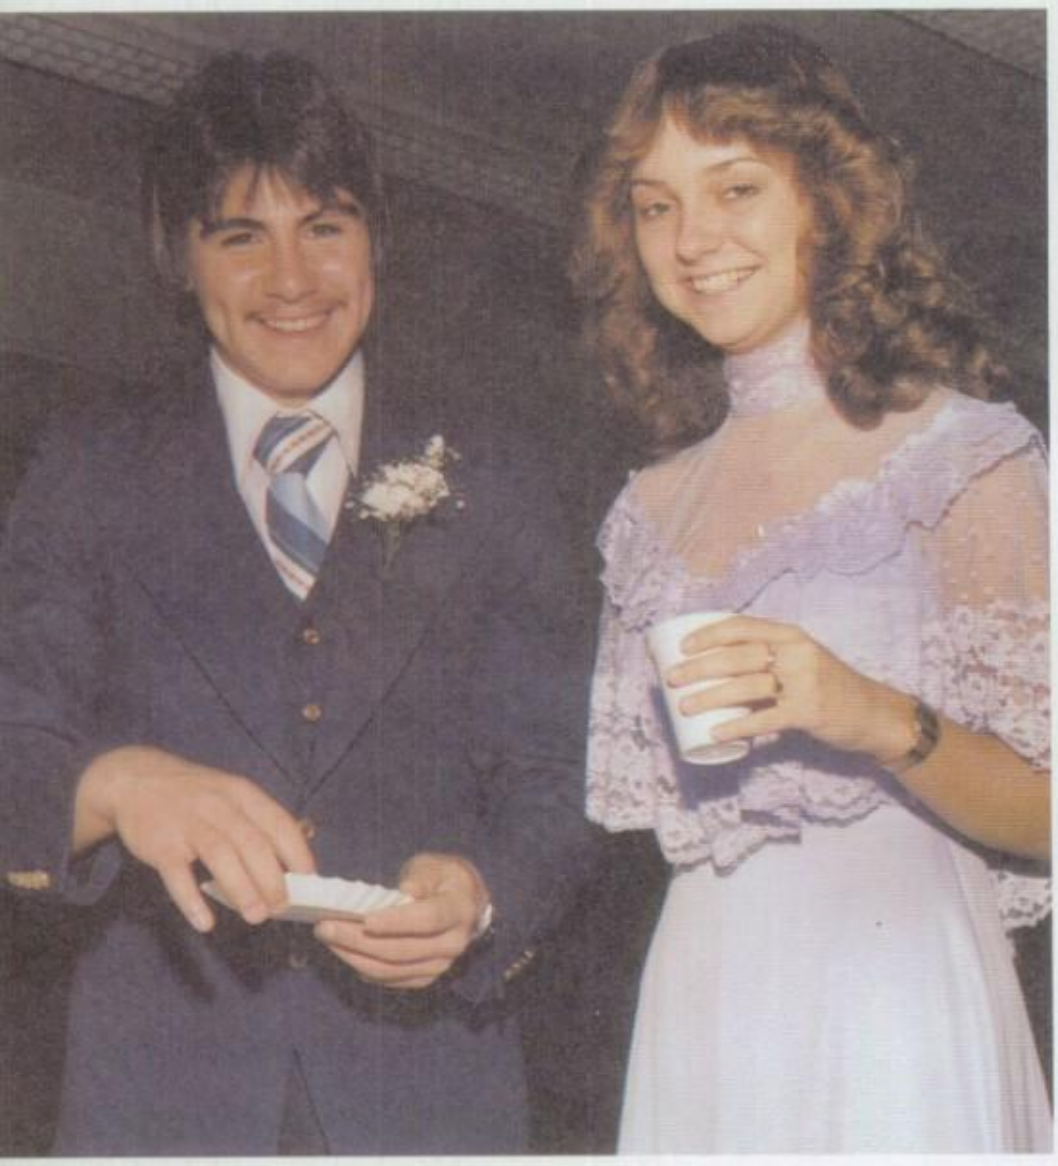
FOR YOUR EYES ONLY

Sheena Easton

The memorable night of October 24 was as cold as it was special, for on this night was the 1981 Homecoming Dance. Tickets for the dance were $8.00, and the music for this romantic evening was provided by "The Chance." They played songs for both the hot-blooded and the shy, producing an appealing atmosphere for everyone.

This year's court was graced by Lisa Kosaian, Diane Mantua, Rosanne Milewski, and Annie Weiss. The Queen, Diane Cernia, was chosen the night before — it must have been a close election. The escorts were John Balogh, Joe Carnarvon, Keith DePaoli, and Chris



Thome respectively. The queen's personal escort was Jeff Johnson. Around 9:30 the Queen was presented for the Grand March. After that the court and their escorts swayed slowly in the spotlights to the theme song, "For Your Eyes Only."

While some couples chose to dine before the dance, others waited until the end leaving for the restaurant. Reservations were made at exquisite places like the Dearborn Inn, Victoria Station, Guilio's, Francesco's, or Doug's Body Shop where dinner can be served in the backseat of a Rolls Royce. After dining, couples broke up into various groups and partied the night away at different establishments. Dream on lovers, dream on. Mike Papalas

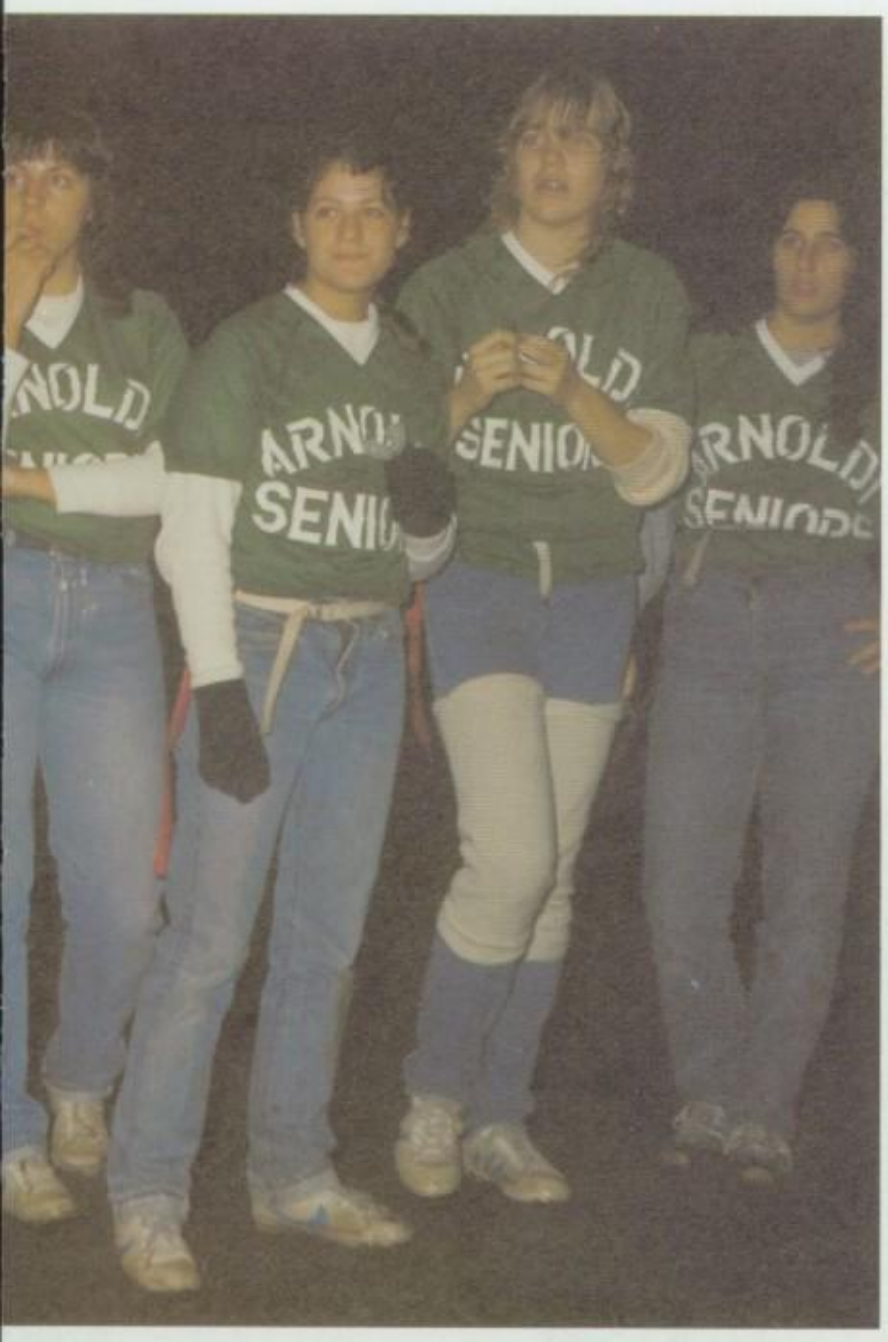
PUFFERS NOT "IN THE DARK"



The night was filled with tense mystified air as Allen Park played their annual powder puff game. Thanks to Mr. Dyas, this year's game was special because it was the first to take place "under the lights." Both the pep band and cheerleaders put on a half time show that roused up the fans getting them ready for the second half. Coach Bob Draper led the powerful seniors to victory with a final score of 7-6. Coach Paul Antioch and the junior girls executed a tough game. Touchdowns were made by junior Sandy Fix and senior Kathy Carrell but the point that made the difference for the seniors was made by Linda Alley. After the game awards were given to most valuable players offensively and defensively. Seniors Kathy Carrell and Terry Tomich were chosen for their outstanding performance along with juniors Sandy Fix and Mary Beth Carley. This event revealed an enormous amount of spirit in students, parents, teachers, and all those who participated in the game. **DANA STEA**

IT'S MY TURN

Exciting best describes this years schedule for the graduating class of 1982. Crowning of the Homecoming queen, the parade, and last but not least, the winning float Miss Piggy gave a lot of spirit to the Senior class. Powder Puff gave an extra boost when the Senior **WOMEN** beat the Junior **GIRLS** at a hand to neck football game. Along with those activities came a donkey of a basketball game that left everyone in 'ee awe," and in the month of January, the Homecoming king was crowned at a Varsity Basketball game. The final victory won by the Senior class was during a rowdy week of class competition when they fought for the Spirit Jug after losing the first two events.

Now we've caught up to Teacher Turnabout Day. Senior students at A.P. took control on March 17th as the men dressed in 3-piece suits and the women in their nicest dresses. Teachers as well as principals were replaced for the entire day by Seniors who felt capable of running classes on their own. For the most part the day ran quite smoothly but for the remaining few, confusion tells their story. Students, including Seniors, received detention for bad behavior, and some Rookie teachers replied, "I felt more like a babysitter than a teacher." Is this the kind of day most of them expected? Probably not, but all in all, the people who participated thought of this event as an exciting challenge and a lot of fun. **By Patti Werk**

PRECIOUS TIME

PAT BENATAR

PRECIOUS TIME

PAT BENETAR

Allen Park High held its traditional Senior Prom at the beautiful Crystal Ballroom located in Detroit's Masonic Temple. This was a joyous evening for all who attended, but on the contrary, it was also a sorrowful evening because our high school days were drawing to a close. Everyone was dressed in the appropriate attire for this occasion and not to mention to his or her perfection.

Most all of us attended punch parties at various establishments. This gave the couples a chance to mingle with their peers before arriving at their favorite restaurant. For example, some of the popular restaurants (recommended by Walter Zelasko) were Joe Muers, Lellies, Merriwether, and Benno's. After couples were finished dining, they returned to their prestigious "shiny" automobiles to depart to the Crystal Ballroom to make their grand entrance.

The couples were swayed to the music by the fabulous band named **Sierra.** They played an array of music which included such categories as rock, disco, and old favorites like the Hokey Pokey and the Mexican Hat Dance.

The huge wooden dance floor was filled with pastel colored hooped dresses, coordinating tuxedos, and smiling faces. As one gazed about the ballroom, a portrait of couples could be seen in their chairs. Also, punch and cookies were available for all who enjoy an abundance of calories.

In conclusion, Senior Prom was a very momentous occasion that will be cherished by all who attended for many years to come.

CELEBRATION

KOOL AND THE GANG

As spring set in, the senior class of 1982 began to experience the wonderful feeling of senioritis and the anticipation of graduation. Starting off the celebration was the annual Senior banquet.

This year the banquet was held at the Red Fawn in Allen Park. The food was catered by the Red Fawn; included in the menu was chicken, mostaccoli, roast beef, mashed potatoes and corn.

Joe Sanscrainte was the disc jockey who provided the entertainment for the evening by playing many of the Seniors' favorite, memorable songs — such as; Get Down On It, We Got the Beat, Jenny, and Open Arms.

In addition, an abundance of excitement arose from the presentation of the mock elections. Senirs received voting ballots to nominate their choices for each individual's category. After all of the ballots were counted, the winners were acknowledged at the banquet.

Each winner received a gag gift to accommodate their achievement. As an illustration, combs were given to those winning the prettiest hair award. Toothbrushes were given to those with the nicest "pearly whites." Storybooks were given to the winners who won best storytellers.

Also, dictionaries were given to the winners of the most intelligent award. Party hats and noise makers were given to the class clowns. The best looking winners received mirrors to examine their gorgeous faces. The people with the most talkative tongues got pacifiers to quiet them up for a while. In addition, the class couple received a pair of hand cuffs to keep them close forever! The winners of the best dressed category got fashion magazines to get some more ideas for next fall at Michigan State University. A shiny star cut-out was given to the most talented winners but why not, one day they will be stars. Also, the most spirited winners received gag gifts for their spirit such as, a green and white pon pom and a green and white A.P. banner.

The Senior class of 1982 picked its class song, class flower, class colors and class motto. This year, the "not so popular" class song was The Long and Winding Road — how out-dated! The class flower was the yellow rose with babies breath. The class colors were lavender and white and the class motto was; Yesterday is already a dream, and tomorrow is only a vision, but today well lived; makes every yesterday a dream of happiness and every tomorrow — a vision of hope.

This year's Senior banquet was a great success because of the excellent turnout of Seniors who attended . . . Celebrate good times, come on, Let's Celebrate!!!

THE FAMOUS FINAL SCENE

BOB SEGER

THROUGH THE YEARS

Every Senior class spends a lot of time living it up during their last year because once they cross that stage on commencement day, they become Alumni and their high school days become just memories. Their fun really begans at the tail end of the year, with car painting, honking and Senioritis (a disease which befalls 95% of every graduating class). After final exams, comes commencements. Before the ceremonies, each graduate gets his picture taken with family and friends on the front lawn. Next they drive and honk to the auditorium to find their classmates in the council chambers, pinning hats and fixing tassles. Excitement is in the air until the final word is given to line up, double file and formally walk into the auditorium. Once seated, speeches are made and the Alma Mater is sung. Then comes the time to receive what was worked for so hard for 12 years. Each student watches fellow classmates walk the stage to become Graduates of Allen Park High. The tears start but no one is quite sure if it's happiness or sorrow. Happy because of their accomplishment or sad because they're leaving the one thing that their early years revolved around, school. This is a question with no certain answer that every future graduate will think of, Through the Years.

Grape bubblegum; green, yellow, and white paint; peach, lemon, and chocolate cream pies; and a school full of spirited students made the week of February 15th-19th special. This year's spirit week started off with hall decorating and bubblegum blowing, both of which were won by Juniors. Just when the Juniors thought they had clinched the title, the Seniors made a great comeback by winning a first place in pie-eating, relay, tug-of-war, and green and white day. The class of "82" does it again, repeating their brilliant sophomore performance. — **Dana Stea**

SLOW RIDE

Once again, the A.P.H.S. Ski Club sponsored the annual Junior-Senior donkey basketball game. This popular event took place on the evening of November 11th, in the high school gym. This year a new twist was added to the game. Instead of two people assigned to a donkey and maneuvering the donkey together as a team, it was a one on one situation. Each brave soul who went out on the court to play had to struggle with the donkey by themselves.

Of course, some things never change. The task of getting up on the donkey and staying on it seems to be an endless battle every year. Many veterans of this event still can feel the aches and pains it brought them.

Both the Senior women and the Senior men showed that they were superior by defeating the Junior girls and boys, 16-10 and 20-16, respectively.

One of the highlights of the night was when Mr. Haboian, Mr. Heller, Mr. Rafail, and the new Assistant Principal Mr. Ferguson took on four members of the girls' varsity basketball team during the half time of the Junior-Senior girls game.

"No Guts, No Glory" the juniors upset the seniors with an impressive 4-2 victory. The annual game took place at the Allen Park Civic Arena on March 6.

The first goal was scored by junior Mike Krust in the first period. The next goal, by Terry Lindisch, put the juniors two up on the seniors. The seniors countered this and made it 2-1, with a score by Mike Pouliot. A goal by Joe Firek made it 3-1 in favor of the juniors. John Balogh gave the seniors a fighting chance with a third-period goal, making it 3-2. The final goal was scored by junior Terry Lindisch into an empty net with seconds left.

APHS theatergoers may have enjoyed the play, but could never fully appreciate the effort behind Allen Park Players and Co. fall production, "Come Blow Your Horn." Every laugh from the loyal but somewhat meager audience helped erase memories of collapsing doors, dropped lines, and last minute painting, costumes, and cast members.

The Neil Simon comedy revolved around the lives of playboy Alan Baker (Paul Michaels) and his younger brother Buddy (Nathan Potvin). As Buddy tries on the life of playboy, problems and complications set in. Dad (Brian Sontag) fires both of his sons from the family business, fussbudget Mom (Michelle Woodward) decides to move in with the boys, Alan's main girlfriend Connie (Shelley Ferguson) wants a commitment, and the voluptuous Peggy (Heidi Gregg) keeps on re-entering Alan's life at the wrong moments. Of course, everything works out in the end, as the ever popular Aunt Gussie (Renee Cook) drops in to visit. **Shelley Ferguson**

From April 29 through May 2, the stage was once again graced by another excellent production by Allen Park Players and Company. This years musical was "Growing Up Naked" by Richard A. Barbie. The play followed the experiences of 8 people as they progressed from adolescense to adulthood.

The cast of this sometimes sad, but mostly funny play included Brian Sontag as Randy, Mary Beth Carley as Ziggy, Edward Daniel as Mike, Kim Tosh as "Pom Pom" Pam, Paul Michaels as Benny, Karen Cloke as Crystal, Phil Colby as Syd, and Heidi Gregg as Wanda.

Some of the many memorable moments which brought the audience to its feet included the tear jerker, "Cheers to the Comic," and the refreshing antics of two drunks in "Bottled Sunshine." Fortunate were those of us to enjoy such a realistic portrayal of life. **By MIKE PAPALAS**

The annual Spinster dance, sponsored by the Allen Park High School girls' swim team, was held on January 30th, 1982, in the high school gym. Since last year's Spinster was such a success, the sponsors again set the time from 8 p.m. to 11 p.m., with music played by disc jockey, George Opra. This year's theme to the dance was "Just Between You and Me," and the admission price was $7.50.

Refreshments of cookies and punch were provided. Also a photographer from Craines Studios was available to take pictures. Fun was provided for all who attended. And for the girl, seeing that she got to choose her date, something else was in store for the evening — the check ≡ **Annie Weiss**

The Juniors voted "Always and Forever" as their class song; "Yesterday's thoughts combined with today's efforts, are tomorrow's goals," as their class motto; burgandy and pink as class colors; and burgandy and pink roses as the class flower. CHEERLEADERS

BAD GIRLS!!

Donna Summer

Once again this year the male sports activities of APHS were joined by the rousing echoes of the Varsity, J.V. and Freshman squads of the cheerleaders.

This year's Varsity squad consisted of only one senior, Captain Jodi Stoddard. Juniors were Captain Leanne McGonagle, and Donna Doran. Like the boys varsity basketball team the Varsity Cheerleaders were dominated by Sophomores. Sophomores on the squad included Debbie Jakacki, Naomi Kissell, Caulette Michaelis, Heide Oleynik, and Jill Trepkowski.

Unlike most sports, cheerleading is a sport which lasts almost all year. After basketball season the girls get a 1-month break before tryouts for football season come rolling around again. This year the squads

attended Walden Woods USCA camp for 1 week during the summer. There the girls competed for awards with squads from other schools. On the last night they competed for trophies and ribbons. The Varsity squad took two 2nd places, two 3rd places and a 3rd place overall. Jodi Stoddard took a 4th place in the individual events. Though the entire squad qualified for nationals, they chose not to go.

The Junior Varsity included Sophomores Kim Kozlowski (captain), Mary Washko (captain), Tammy Trombley and Sandy Morris. Freshmen on the J.V. squad were Lynn Nadzam, Debbie Roberts, Kelly Krust and Denise Jozsa.

On the Freshman squad were Dawn Miller, Shelley Orlando, Lisa DeShantz, Marlene Bodner, Anne Boufford, Lisa McDonough and Darlene Vorva.

The coaching staff of the cheerleaders was altered several times. The Varsity and Freshman coach was Robin Hughes who took Amy Kubo's place midway through the season. The Junior Varsity coach was Terry Donati who replaced Miss Gibbons. * **SUE BURKE**

WINNING

SANTANA

The Varsity Football team finished their season with a disappointing record, 2 wins and 7 losses. The Jaguars won their first game against Dryden (38-0) and their last game against Taylor Center (a forfeit).

The Jaguar men put out a tough showing against Livonia Bentley going into overtime. Leading the team during that game were Jim Cook gaining 166 yards and a 2 point conversion, Greg Szczesny leading rusher with 42 yards and Jim Kricscion with 8 solo tackles. The final score of the Livonia Bentley game was Jaguars — 14, Bulldogs — 17. If not for the controversial judgement made by the referee against an Allen Park Lineman, Don Guobis' touchdown run would not have been called back, and Allen Park would have been the victor.

The highlight of the year was the all important honors banquet held at the end of the season. At this banquet players are honored for their outstanding performances. This year the Most Improved Player Award went to Rick Woods. The Iron Man Award, the award given to the player who plays beyond pain, was presented to Chris Thome. The Gold Helmet Award was given to Jim Cook, Outstanding Lineman — Bryan Ketzenberger, and the Most Valuable Player — Mark Baier. Another award which is traditionally given is The Marc Egland Award. This award is a very special memorial award given to the player who puts the team first above all, this year's recipient was Greg Szczesny.

The coaches for the team this year were Head Coach — Pat Battistelli, assisted by Gerry Thome and Walt Zelasko. Coach Zelasko states, "We'll be entering the TRI-RIVER league next year which means APHS sports will be back." So Jag Football fans, you'll be seeing more from the football team in 1982. JUNIOR VARSITY FOOTBALL

The Allen Park Junior Varsity football team ended a disappointing season with a final record of one win and seven losses. The coaches Ed Lynch and Bill Connock felt that the team was totally outclassed in the Sub-Eight division, but hold great promise for the Tri-River conference next year. The team got off to a slow start due to late arrivals of players and lack of participation. The boost of support by their loyal fans carried the high-spirited Junior Jags to their one victory of the season by defeating Taylor Truman 30-6 in their final game.

GIRLS VARSITY BASKETBALL

ONE STEP CLOSER

THE DOOBIE BROTHERS

The Allen Park Girls Varsity Basketball team was again headed by second year coach Debbie Norman. The girls played a rough schedule this year and it showed up in their final record. They ended the season 0-12 in Sub-8 play and 3-16 in the overall standings. Leading the team this year were Senior co-captains Jean Rzucidlo and Missy Zantop who both received All-Area Honors. Jean was elected captain to the second team while Missy and Junior Lisa Pishko received Honorable Mention recognition. Despite their disappointing season the girls looked as if they had finally put their act together in post season District play against Melvindale. The game, anticipated to be a runaway for Melvindale, went down to the final three seconds of an overtime period before a winner was decided. Again Allen Park came up on the short end of the stick, but not by much, losing a heartbreaker 40-39. Next year Allen Park will not only play in the Class B Districts but will also leave the Sub-8 to join the Tri-River League. Despite their loss the girls proved not only to Melvindale, but to the entire Tri-River League, that Allen Park will become a team to be reckoned with next year. LOOK OUT TRI-RIVER, CAUSE WE'RE MOVIN' IN!!! Team photo on 188.

GIRLS JR. VARSITY BASKETBALL

WE'VE ONLY JUST BEGUN . . .

CARPENTERS

A contrast to last year's Girls J.V. Basketball squad which carried not one Freshman, this year's team consists of seven promising Freshmen and four up and coming Sophomores. The team is again headed by second year coach Becky Riendeau. The girls finished the season with a record of 4-14. Because of the limited number of players on both J.V. and Varsity, the two teams practiced together all year. These practices with Varsity helped to improve the team but it was for two outstanding young players that it paid off rewardingly. These two girls were Freshman guard Lisa Corvia and forward-center Christie D'Hondt. They improved throughout the season which gave them the chance to move up to Varsity for the final game of the season and the District game against Melvindale. Other members of the team were Freshman guards Lisa McDonough and Lydia Yegazharian, forwards Sue Rebel, Julie Chedaster, and center Sue Pando. Sophomores on the team were forwards Charlene Green, Kathleen Sheraton, Chris Plummer, and Carin Maki. Next year the girls should have an advantage in their new Tri-River League seeing as the Sub-8 is one of the toughest Leagues in the state. It seems like the girls basketball program is getting back on its feet after missing a year due to the failed millage. Coaches Debbie Norman and Becky Riendeau have gotten the younger kids interested again, going all the way back to the elementary level. With the addition of the Middle School players next year, the future of the Allen Park girls program looks very bright. MOVE OVER GUYS, THE GIRLS ARE MOVIN' UP!!! Team photo on 189 ***MISSY ZANTOP**

CROSS COUNTRY

The Cross-Country Team did their share of running this year. They finished their season with a record of 4 wins and 9 losses. The Varsity Jags defeated Lincoln Park, Riverside, Annapolis and Plymouth.

The members of the Cross-Country squad were Ed Jankowski, Dan Kaczmarek, Joe Kendra, Gary Scheske, Phil Colby. All of these boys being juniors.

Sophomores on the squad included Dennis McGinn and Kevin Mathis. Freshmen were Jeff Mifsud and Tom Bottnoff.

Ed Jankowski was considered something to look out for next year since he ran the 3 mile course in a time of approximately 16 minutes and 13 seconds. Once again the team was coached by Science teacher Ken Heller. Team on 178. **By SUE BURKE**

The Boys Varsity Golf Team put forth a good effort this year in the tough Suburban-8 league. The Jags defeated Southgate and Garden City-East, holding their record at 2 wins and 9 losses.

This year the team had only 3 seniors, Mark Bollman, Paul Oshanskiand, Mike Papalas. The Juniors on the mighty golf team were Dave Redmer, Dave Redmer and Greg Yon. Other members of the squad were sophomores Jim Pauffhausen, Chris Vida and Freshman Dave Maheras.

Although he is only a junior, Chris Vida will be a difficult person to beat in next years somewhat easier Tri-River League. As the season was this year, Chris was on the All-League Second Team. Team on 179 **SUE BURKE**

GIRLS TENNIS

Like most APHS sports teams, the girls tennis team ended their season with a poor record. The girls finished with a record of 3 wins and 10 losses. The Lady Jags proudly defeated Southgate, Riverview and Thurston.

The singles players this year were Sue Burke at No. 1 singles, Kirsten Johnson at No. 2 singles, Gloria Leibold at No. 3 singles and Rita Bisaro at No. 4 singles.

Jane French was a key to the doubles strategy this time around. A new face on the team was Senior Melanie Dunn, who this year decided to play tennis.

Coach Frosheiser stated that the team is still in a rebuilding stage. He also added that the league and experience that the other teams have are the primary reasons that their record was so bad. Team Picture on 199 ***SUE BURKE**

GIRLS SWIMMING

THE STROKE

BILLY SQUIRE

The one big problem with this year's girls swim team that they could not overcome was their size. Since this is only the second year in existence for the girls swimming program it is very difficult for second year coach Marsha Sherwood to get many girls interested in trying out for the team. In the past the girls have been forced to swim with the boys team if they wished to swim at all. To complete her squad coach Sherwood has only ten swimmers. These are Freshman Sue Howell, Sophomores Jeanette Gamble, Julie Piskos, Maria Pando, Karen Driscoll, Katrina Connor, and Shannon Walker, Juniors Tina Rebel and Lisa Walker, and Senior Laura Walker. Out of these ten girls, four of them were able to make qualifying times to put them on their way to the State Swimming Competition. The four girls included Shannon Walker, Katrina Connor, Karen Driscoll, and Lisa Walker. Their relay in the 200 yd. freestyle did not place in the top twenty but Sophomore Shannon Walker turned in two outstanding performances placing sixth in the 100 yd. butterfly and eleventh in the 200 yd. freestyle. The team was led this year by Sophomore tri-captains Shannon Walker, Maria Pando, and Julie Piskos. The girls ended the season with a record of 4-9. Team photo on 180 ***MISSY ZANTOP**

BOYS VARSITY BASKETBALL

Help!!

(They need somebody!) The Beatles

The Allen Park Varsity Basketball team is led by first year coach Mickey Henson. Due to the fact that last year's team was almost completely lost to graduation, this year's team is made up of eleven players and only three of them have had varsity experience. The Jags started the season with a heartbreaking defeat to Grosse Ille, and they went downhill from then on. The Jags were 0-9 when they came up to two back to back overtime games. These were played against Trenton and Livonia Bentley and were both lost by the Jags. In the Livonia game the opposition held the ball for the entire overtime period taking a shot with 5 seconds left to steal the victory from the Jags. One team member stated, "It is hard enough losing so many games, but coming so close and still ending up short is very hard to accept." The Jags went into the District Tournament at River Rouge with a final record of 0-20. The guys kept up their perfect winless record as they came within reach of a victory in the final minutes only to lose another heartbreaker by a score of Rouge 50, A.P. 45. Members of the team are Seniors Bill Cayo, Ray Boufford, Bob Bojinoff, and Capt. Jeff Johnson. Juniors on the team are Jeff Jakubiak, Frank Lollo, and Bill Rauser. The five young sophomores on the team are Dave Donigian, Steve Goode, Dave Orban, Don Goubis, and Gary DiCarlo. Team photo on 186. ***MISSY ZANTOP**

BOYS JR. VARSITY BASKETBALL

IT KEEPS YOU RUNNIN'!

THE DOOBIE BROTHERS

This year's Junior Varsity basketball team is led by head coach Mike Wilkerson and assistant coach Joe Sobosinski. The team consists of some very talented juniors and sophomores. The guys played well throughout the course of the year, even if their record of 6-16 might not show it. They opened the season with a convincing victory over a strong Grosse Ile team defeating them by 17 points. Good fortune did not stay long with the Junior Jags as they came up short against some very tough Sub-Eight teams, losing some by as little as 5 points. Even so, the guys bounced back to defeat long time rivals, the Dearborn Pioneers. The last second layup by Bill Rauser to give them the 2 point victory seemed to give the team the boost they needed. They went on to finish the season with some very impressive ball-playing. Sophomores on the team include Mike Bowdell, Mike Richards, Jim Paffausen, Kyle Tertzag, and Dave Orban. Junior team members were Joe Corvaia, Dave Johnson, Jim Kriksciun, Pat Sadler, Rob Walker, Ed Nicksich, John Coughlin, Bill Rauser, and Bob Besek. Of these members Dave Orban, Bill Rauser, and Bob Besek were moved up to the varsity squad to continue their seasons. Next year the Jags will be moving out of the Sub-Eight to join ranks with the Tri-River League. Combined with the upcoming freshmen and the members of the varsity team, the future for Allen Park basketball looks to be very promising. Team photo on 187. *MISSY ZANTOP

BOYS FROSH BASKETBALL

This year's freshman basketball team was coached by Allen Park Alumnus Ron Howell. The freshman Jags are one of the few Allen Park teams who can boast a record of over .500! They ended an exciting season with a win-loss record of 8-5. After getting off to a slow start by losing their first three games, the freshman Jags came roaring back to win eight of their ten remaining contests. Some of those games were against very tough opponents consisting of Melvindale, Wyandotte, and Riverview who are three of the teams that Allen Park will be facing next year in their new conference. All of the Allen Park teams will be moving out of the Sub-Eight League to join the Tri-River League.

HOW SWEET IT IS!

James Taylor

Moving to the new league does not mean the Jags will have an easy go of things next year, but their experience gained this year in the Class A League should prove to be a great asset. The guys have gained a lot of recognition this year and give bright hope to the future of the Allen Park basketball program. Outstanding performances were put on this season by playmaking guard H. W. Bufton, outside shooter Dave Pagnac, and excellent inside players Gordan Laatz, Kevin McJunkin, and Gerry Musio. Other team members were Marty Bowdell, Eric Bowman, Greg Donigian, Rob Flannery, Jerry Lafferty, John Lewis, Mike Traster, Randy Vadasy, and Mike Evans. Photo on 187. ***MISSY ZANTOP**

VARSITY & J.V. VOLLEYBALL

The girls Varsity and J.V. volleyball teams showed more promise than some of the other sports at APHS this year. These girls all worked very hard for a long time to get ready to play this season. Last year all the girls made enough money to send themselves to camp at MSU. The week they spent at camp though strenuous, proved to be very helpful in their season.

The outstanding game of the season was when the girls defeated the over-confident Plymouth Rocks in a three game match. The scores of this match were 14-16, 15-8, and 15-11. The varsity squad ended up in 6th place in the Sub- 8league. This was somewhat of a letdown to the girls, since Plymouth who they beat, placed first in the league.

At the end of the season both the Varsity and Junior Varsity players were honored at their banquet. For the Junior Varsity Sharon Kuroda accepted the 110% award, Cathy Martin received the Most Improved award. These awards were also presented to the Varsity squad. The recipient for the 110% award was Ava Chapo, the Most Improved Player award went to Sophomore Kris Knas. The Most Valuable Player for the Varsity squad was Sue Burke.

Other members of the Varsity squad included Julie Bentley, Jane French, Lisa Kosaian, Diane Mantua, Kirsten Johnson, Edie Dziekan, Julie DeGraw and Charlene Green.

Additional members of the Junior Varsity were Julie Chidester, Christi D'Hondt, Joanne Kovacs, Chris McClosky, Denise Maharis, Karen Cloke, Sue Rebel and Anna Hanoian.

The coach of the Varsity squad was Karen Feldt. The Junior Varsity coach was Penny Cook. ***SUE BURKE** Team photo on 184.

THE HORIZONTAL BOP

Bob Seger

The Wrestling Jaguars of APHS finished their season with a 2 wins and 23 losses record. This was not bad since the team was made up of mostly first year wrestlers. Only 6 experienced wrestlers returned from last year. These returning wrestlers included Varsity members Leo Diroff, Rob Kubo, Dave Potter, and Frank Liberati. Other members of the Varsity squad were Junior Mark Baier, Sophomore Danny Donofrio, Sophomore Tom Dunne, Junior Ray Feher, Junior Scott Fowler, Freshman Dave Grafton, Junior Dave Templin, and Junior Jamee Warren. Members of the Freshman squad were Chassen Badwi, Bigliardi, Dave Green, Chad Konefe, Jim McClay, Tim McGonagle, Tom Mukri, Craig Rafail, and Jeff Weurner.

At the end of the season the team was honored, along with all of the winter sports teams at a banquet, sponsored by the Adult Booster Club. During the Banquet a 110% Award was presented to one individual from each athletic team. The wrestling recipient was Senior Frank Liberati. The Most Valuable Wrestler was given to Dave Potter. Frank Liberati also accepted the Most Improved Wrestler Award.

With all the young talent that the wrestling team has returning, they should be something to look out for in the new league. ***SUE BURKE**

This year the Boys Varsity Swim Team finished with a record of 4 wins and 11 losses. This year the team went up against teams with 20 members and more. This was a disadvantage to the team since the Jaguars had only 9 members.

At the end of the season awards were presented to outstanding swimmers. This was done at the Winter Sports Banquet, sponsored by the Adult Booster Club. The Most Valuable Swimmer Award went to Jerry Tuinier. The 110% award and the Coaches Award went to Erik Paschke. John Boufford received the Most Improved Swimmer Award.

VARSITY SOFTBALL

UNDER PRESSURE

DAVID BOWIE — QUEEN

The Varsity Softball team of 1982 is headed by second year coach Debbie Norman. The girls this year were expected to do much better than their record of 4-13 shows. Just about every girl on the squad played on a summer fastpitch team which competed against other downriver teams and captured first place. But Coach Norman just couldn't seem to find the right combination of players in high school play to compete against the strong Class A Suburban Eight League. The girls did however manage to defeat Dearborn twice and Plymouth once during the season as they ended up sixth out of seven teams in the league standings. Coach Norman will only be losing four girls to graduation this year which means she will have just about her whole team to work with next season in their new Tri-river League. This year the Varsity Jags turned out two All-League and three All-Area ball players. Senior third-baseman Missy Zantop made both teams for the second year in a row while Junior pitcher Jennifer Balogh made them both for the first time. The third player was Freshman Lisa Corvaia who made the All-Area team as a combination pitcher and center-fielder. With the new players coming up from the J.V. team next year and the experienced girls from this year the Varsity Jags should prove to be a tough competitor in the Class B Tri-river League.

J.V. SOFTBALL

ONLY TIME WILL TELL?!?

ASIA

The 1982 Allen Park Junior Varsity Softball team did not quite follow the pattern set by teams in the recent years. The team this year, as opposed to the others, was made up by a majority of Freshmen with the exception of one Sophomore and one Junior. This factor gave second year coach Patti Zimbalatti a very challenging task. She was forced to take a group of girls with only slowpitch experience and turn them into competitive fastpitch ball players. Most of the other teams in the Suburban-Eight League were made up of players with at least one year of fastpitch experience. Even so Patti and the girls met the challenge well by defeating Plymouth and Dearborn, two of the stronger teams in their league. The girls record of 3-12 might not have been the greatest ever turned in by a J.V. squad, but they did learn how to work together as a team. Next year the Junior Varsity team will consist of almost the same players along with some hopefuls from the A.P. Middle School. This factor along with the girls switching from their Class A League to a Clas B League should prove to be a great advantage to the team. They should be a much more competitive ball team against the schools in th new Tri-river League. This summer the entire team will be participating a fast-pitch program which will give them added experience. All in all next year the Junior Jags should be a winning team that A.P. can be proud of!!!

QUEEN

Keeping up the pace for APHS sports, the Varsity Baseball Team finished with a record of 9-17. Though the team didn't live up to their high expectations they proved some of their talent by defeating Dearborn twice and Trenton once. These victories were outstanding achievements compared to the rest of their struggles.

In the annual Wyandotte Tournament the Varsity Jags defeated Taylor Center in the first game. This was a great achievement considering Taylor Center was a favorite in the tourney.

At the annual baseball banquet the men were presented with serious awards and gag gifts. The MVP award was presented to Mike Pouliot and the 110% award to Chuck Beach. All League Second Team honors were bestowed upon Mike Pouliot for his outstanding performance in left field and also to Ed Jankowski for his shortstop ability.

Senior members of the team included Ken Post, Chris Thome, Ray Boufford, Jeff Pischke, Bob Vadasy, Victor Frendo and Jim Ridener.

Junior members included Kirk Brayman, Jeff Jakubiak, Frank Lollo, Mike Krust, Bob Francis, Greg Yon and, Joe Corvaia.

This year statistics were taken by Junior Judy Kelly and the manager of the team was Junior Frank Duzick.

The Junior Varsity baseball team had a fantastic season with a win-loss record of 19-2. The Junior Jags began their powerful assault by crushing a tough Livonia team and continued on to become the Suburban Eight League Champions. They also won the Catholic Tournament Trophy. The Freshman baseball team had a rewarding season with a final record of five wins and five losses. The Frosh Jags opened the competition with a victory over a tough Lincoln Park team. Outstanding performances were given by H. W. Bufton and hurler Dave Pagac. Our freshman ballplayers, coached by Mr. Pat Batestelli, have the stamina and endurance needed to make a talented ball club for the years to come. The Frosh squad, consisting of 19 players, is as follows: Jeff Bero, Tom Bottorff, Marty Bowdell, H. W. Bufton, Gordie Ferguson, Tom Ford, Jeff Green, Joe Hinkle, Roger Lindeman, Steve Mangiapane, Tim McGonagle, Mike Mitchell, Henry Nagel, Dave Pagac, Rich Sclater, James Shomock, Gerry Stea, Jim Szostek, and Randy Vadasy. GIRLS TRACK

The Girls Track team had an extremely disappointing season with a final record of 0-12. Coach Marcia Sherwood feels the difficulty was due to the inexperience and the youngness of the team, containing only two seniors. The 'Most Outstanding' award went to Carrie Coughlin, and the 'Most Improved' award went to Shelley Mann. Sophomore Mary Cardenas received the 'Best Supporting Teammate' award.

Coach Sherwood said that the team improved tremendously and will be tough competition next year in the new league.

The Varsity Track Team did a nice job this year, but like most APHS teams their record just couldn't show it. Outside of the Sub-8 league, the squad did an excellent job ending with a record of 3-2. Inside the Sub-8 the hopes weren't as high. They ended with a record of 0-6. Throughout the year the Jaguars attended several outings in which they did quite well. At the Sienna Heights meet the Jaguars finished in eighth place. At the Lincoln Park Invitational the Jaguars finished in fourth place.

This year the Jaguars consisted of only 5 seniors, they were Jim Cook, Bryan Coward, Dave Gilpatrick, Les Waske, and Bryan Ketzenberger.

Juniors on the team were Dan Bollman, Fred Chearhart, Scott Fowler, Walt Huddy, Ed Jankowski, Mike Jacquish, Dan Kaczmarek, Dave Templin, Mark Vandenberg and Eric Wobig.

Sophomore members included Mike Bowdell, Nino Cappeletti, Chuck DuChene, John Gaggin, Mark Geb, Dave Glenn, George Gosinski, Kevin Mathis, Dennis McGinn, John Nation, Jeff Pidcock and Dan Rafail.

Last, but certainly not least, the freshmen were Gordon Laatz, Tim McGonagle, and Tom Mukri.

The Boys Tennis team, led by coach Ed Froheiser, had a very rewarding season with a concluding record of 8-9. The team won two league matches for the first time in four years. Outstanding performances were given by senior Les Harris at number two singles, 21-8; and by sophomore Steve Almasian at number three singles, 21-8. Coach Froheiser feels that the team has improved dramatically from last year's performance and that next year's team will be "awesome." Led by Matt Greene, Coach Fro has high hopes for his young team in the Tri-River conference. CLUBS

Clubs are back and active at APHS. Some of the clubs at Allen Park High consist of scholastic ability and some are for just pure fun and enjoyment.

The drama club, alias "Allen Park Players And Company," are a group of aspiring actors and actresses. "Come Blow Your Horn" and "Growing Up Naked" were the two excellent performances the drama club put on this year. Mr. Lavine was the director of the drama club this year.

One of the biggest clubs at APHS is the ski club. These skiers range anywhere from beginners to the more advanced skiers. Every Thursday the ski club looks forward to their trip to Pine Knob. The ski club advisors include: Mr. Barrick, Mr. Haboian, Mr. Heller, and Mr. Rafial.

Karen Knas, Sec. Donna Doran, and Treas. Kathy Bruinsma. Mrs. Ferency is the advisor of the Honor Society.

A group of students nominated by their teachers and then voted on by student council, make up the Allen Club. The Allen Club is a school and community service group. The officers of the Allen Club are: Pres. John Balogh, Vice-Pres. Julie Bently, Sec. Rick Woods, and Treas. Jeff Johnson. The Allen Club's new advisor this year is Mr. Ferguson.

"Never A Dull Moment" is a good description for the elective classes offered at APHS.

In the industrial arts, students start by taking a beginner's class which gives a basic idea and teaches simple skills in fields such as metals, electronics, drafting, and small engines.

If students wish to pursue a more in depth study of any of these, advanced and vocational classes are also available.

Creative and Home-Arts follow this same pattern.

Luckily, all of these classes are provided, for they are an excellent opportunity for students to receive an introduction to practical and useful skills for the future. By *Katie Lareau

Although English is considered a foreign language to some students, two other languages are available. Taught by Mr. Medrano and Mrs. Greggs, are Spanish I and II. In Spanish I, students are introduced to basic skills and also to the Spanish culture. Spanish II deals with more advanced skills and involves a more conversational side of the language. Along with the academics, annual "fiestas" are held to break up the monotony. Because French has not been taught for a couple of years, only French I is offered. Mrs. VanderHaagen presently teaches 4 classes which is proof of its popularity. French students also are introduced to basic speaking, listening, reading, and writing skills.

In the English department, various elective classes are available. Science-fiction is aimed at students who have an interest in that subject, Journalism prepares students for future work on The Imprint and Jaguar Journal, and College Writing prepares seniors for the large amount of writing awaiting them in college. *Katie Lareau

LISTEN TO THE MUSIC . . .

DOOBIE BROTHERS

This year the 1981-82 APHS Band has had a most active year. In preparation for their year ahead, the band attended a YMCA summer band camp; a few select students also attended Interlochen Music Camp for two weeks.

Under the superb direction of Mr. Jack Kopnick, the band has performed in various parades, and has given a winter and spring concert. The band has received a special honor with an invitation to play on the steps of the state capitol for Music in Michigan Week, on May 12.

This year was another successful year at the annual Solo and Ensemble Festival. AP Band students who attended this competition proudly brought home six first division awards, along with a second division award.

The band finally ends their busy year with an awards banquet. One-third of the band members this year are graduating seniors. Those graduating senior band members will all receive medals in honor of their accomplishments through years of hard work and effort. ***Leanne McGonagle**

DON'T STOP BELIEVING

Journey

Harmony, melody, and blend, is the name of the tune, the Allen Park Choirs are striving for in 1982. Cuts in the music department in the latter half of 1979 have crippled both the instrumental and vocal programs in quality and in number. However, this year's touring group, "The Harmonaires" received a first division rating at the annual Solo and Ensemble Festival. This is considered a high honor, and Mr. Jack Kopnick, the music director, hopes that this achievement will give incentive to the younger Allen Park students. He has been a music teacher here in Allen Park since 1955, and has done an outstanding job with the small number he has to work with this year.

Girls Glee and Concert Choir are the two remaining groups of vocalists left. They consist of 26 students, including 3 male members. Considering the dwindling amount of choir members, a record number of people attended the winter concert this year. Other spectators at places like, Greenfield Village, Penrickton (a school for the blind) and the Allen Park Convalescent Home, listened to "The Haromonaires" sing Carols with love and joy that's shared at Christmas time. Basketball fans also had a chance to hear this group sing the National Anthem at the home basketball games. To much surprise, the visiting schools liked the idea and informed the choir that they wished to do this at their school. Allen Park was the first to start this new trend. They are very proud of their work and the reason for their success is because they "Didn't Stop Believing."

BOB SEGER

As always, Math and business were two of the busiest departments in the school. Each student is required to take two years of math, with anything beyond that elective. Math has always been a dreaded subject, but with the likes of Mrs. Murphy's smile and Mr. Medrano's unusual teaching tactics, it makes math more fun for the student. Business classes are all elective, ranging from typing to data processing. Undoubtedly the most popular business classes are Mr. Goniea's accounting class and Mr. Haboian's law class. Who knows, we may have an Einstein or an F. Lee Bailey at APHS somewhere!

Jaguar Journal

Where else do students and faculty go for the latest school news but the Jaguar Journal? This is no surprise considering the high standards of journalism that the J.J. has been recognized for for the past 30 years.

The J.J.'s objective is to keep students and faculty informed on all the latest school news. The responsibility of assigning stories, proofreading articles, and making sure every deadline is met belongs to the editor of each page. Much credit is due to Katie Watters, 1st page editor, Mark Bollman, 2nd page editor, Mike Pouliot, 3rd page editor, Shelley Ferguson, 4th page editor, and Steve Sammut, sports editor, for their excellent jobs in handling these responsibilities. Of course, Mr. Powell cannot be forgotten. He has long been advisor of The J.J. and is still going strong.

UP-BEAT

SHINING BRIGHTLY

Layouts, deadlines, hard work and a lot of fun is what the Imprint staff has been up to this year. A summer workshop began their glorious job with a flying leap. The workshop is designed to familiarize the students with what tasks they will have once they start drawing up their yearbook. Some had trouble at first, but the fast learners helped staff get into the swing of things.

Decisions have to be made, like theme, colors, and even where to have the staff Christmas party. Everything in the yearbook revolves around the theme, and this year's is "SOLID GOLD." Along with those decisions come problems, including changing publishers, downsizing the book and increasing the cost because of financial difficulties. However, steam is still rising from room #217. Although this book may not have the extra money to give it that "touch of pizazz," the entire staff, with Mr. Zelasko's advice, are working with special artistic styles to make their "SOLID GOLD" shine brightly. **FERGUSON AND WERK**

Exploring the unknown, pursuing facts, and experimenting with nature are three factors which make Science at APHS an interesting part of the curriculum.

This year's Biology students experimented with everything from plant structures, to genetics, to the dissection of cats. The lights of Avagadro, Boyle, and Charles were all shined on Chemistry I students. An increase in the knowledge of Chemistry II students was due to the large number of experiments done. Physics students were introduced to the laws of gravity and other laws of nature, also by the means of experimentation.

Life? Explanation? Oxidation? These are questions that every young scientific mind will attempt to answer. ***Katie Lareau**

ALLEN PARK STUDENT COUNCIL

Homecoming, Spirit Week and various fund raisers are just a few of the activities that the Student Council sponsors every year. This year's Student Council officers included President Dave Bargamian, Vice President Bryan Ketzenberger, Secretary Liz Bond and Treasurer Scott McLaren.

With the profits from these fund raisers the Student Council managed to send 40 students to a spirit convention at Riverview High School. This was a very beneficial experience for most of the members.

At the end of the school year the Student Council donated a Jaguar Country sign for the lobby.

JUNIORS

The junior class found this year filled with many challenges and new experiences. Leading this class on to new adventures were class officers: President Todd Flood, Vice President Matt Greene, Secretary Gary Scheske, and Treasurer Linda Sammut. The Student Council class representatives for the juniors were: Kirk Brayman, Jim Garafolo, Dan Kaczmarek, Michael Krust, Clark Scott, Jennifer Balogh, Laura Boni, Sue Dedrick, Judy Kelly, and Leanne McGonagle.

One of the high points of the year was the junior-senior hockey game. The superior junior team defeated the inferior seniors, by a score of 4-2. Scoring goals for the juniors were Terry Lindisch with 2 points, and Joe Ferik and Mike Krust with one apiece. The mighty juniors are looking forward to another victory next year as seniors.

Juniors participated in many other events throughout the year. The first challenge of the year was the building of the Homecoming float. Following the theme of "Muppets," the juniors created Swedish Chef and Animal.

Shortly after Homecoming, was the annual junior-senior powder puff football game. Junior women put forth a great effort, but fell short of a victory, 7-6.

Donkey basketball was a little too much for the juniors to handle, as they lost both games to the experienced seniors.

Spirit week brought great expectations to the juniors as they got off to a promising start. As the week came to a close, juniors found themselves in second place, just short of a victory.

Junior Prom was the last main event of the year. It was held on March 27, at the Botsford Inn. It was a very special and memorable event for all who attended.

JUNIOR HOME-COMING

This year's Homecoming was an exciting event and a competitive challenge for the Junior class. During various float meetings, held primarily at Matt Greene's and Dan Kaczmarek's houses, juniors worked toward building a winning class float. Their creation, the Swedish Chef and Animal, was proudly displayed in the parade with the hopes of winning first place in the judging. Winning, however, was not the final outcome, but the Junior class spirit never ceased throughout the entire Homecoming weekend. □

ONE LAST STEP

Being a junior at A.P.H.S. is a comfortable situation to be in. Juniors no longer have the aggravation of establishing themselves in a new environment, nor are they experiencing the wistfulness and restlessness attributed to seniors.

As the juniors approach the end of the year, anticipation and expectations begin to grow. The junior class will be heading into their most important year, their senior year. All the yearly activities will take on new meanings. Added to these will be senior prom, a banquet, and finally commencement exercises.

As the junior class looks ahead to a busy senior year, they take with them happy memories and lasting friendships, both of which will make them cherish their memories of A.P.H.S. ☐ By Jane Guerra

SOPHOMORES

The Class of '84 started off the year with a clear mind and a steady hand. Sophomores contributed much to the APHS sports program with a large turnout of both boys and girls in football, basketball, wrestling, volleyball, swimming, track, baseball and softball. The drive and continued participation of the Sophomore class was evident upon completion of the Homecoming float, *Kermit the Frog.* Although seniors took first place, Sophomores made a strong showing. Though the real competition during spirit week featured the Juniors and Seniors, Sophomore girls did well in the tug-of-war and pie eating contests.

As the year came to an end, Junior year entered Sophomore minds and a feeling of satisfaction and achievement gave them a boost in the right direction, — Spring of 1984. **By JOE SANSCRAINTE**

Sophs in Class

Academically speaking, this year's sophomore class met the many new challenges, such as chemistry and geometry, head on. Pulling no punches, they were able to do quite well with the honor roll as compared to the other classes. Participation in extra-curricular activities such as sports, student council, and band also shone through.

Despite a seemingly busy year, it was seldom hard to find a few sophomores in the detention hall. It seems as though the class of '84 has had a hand in almost everything that went on at APHS this year, good or bad as it may have been. Oh well, the more the merrier! ☐ **JOE SANSCRAINTE**

MIND VS. MATTER?

Can sophomore smarts hold up against that irresistible urge to seize, bite, chew and swallow that creeps up on us all sometime after third hour? Some have actually succeded, but most have failed. Matter, in the form of school lunches, junk food from the student shop, and even a fry or two from someone else's plate, has mastered even the greatest minds, sophomores included. □

WE LOVE ROCK & ROLL

How True it is. Journey, J. Geils, The Rolling Stones, and Styx are among the favorites of the 81-82 school year. Everyone, (including Sophomores) agrees that this has been a good year for music. The music of the 80's is already crisper and cleaner than that of the 70's. One of the newest innovations of this musical era is M-TV, a visual radio station on cable television. Such an interest has been aroused in Rock and Roll that bumper stickers, painted jean jackets, and huge jam-boxes are common sights in "the crowd," and the Class of 84 is at the head of the pack.

FROSH

An exciting new world filled with faces and friends both old and new greeted the newcoming freshman class of 1985. Leading the class through their first of four high school years were class officers: *President* Gordon Laatz, *Vice-President* Dave Grafton, *Secretary* Sue Rebel, and *Treasurer* Lisa Corvaia. Class representatives were: Ed Craine, Susan Howell, John Tabaczynski, Andy Hill, Debby Chymiac, Joanne Kovacs, Jerry Lafferty, Thom Mukri, Betty Rosen, Beth Rosza, and first alternate Sue Pando.

The class did an excellent job in their fund raising activities, boosting both the class treasury and their outlook for an even better year next year. Starting with only $33.00 in their treasury, they initiated a carnation sale and a doughnut sale, both of which proved to be very successful. They also racked up enough "food points" at McDonalds to win $300.00. This money, along with the money earned in the sales, brought the amount in their treasury to well ove $700.00.

Following the Muppet theme for this year's homecoming floats, the freshmen created *Beaker*. The float turned out very well and received a great deal of support. The next big event was Spirit Week, and the inexperienced freshmen finished third, proving themselves superior to the fourth-placed sophomores.

In sports the frosh teams did very well. The baseball team, coached by Mr. Batistelli, ended the season with a 5-5 record. The basketball team also showed improvement, winding up their seaso with a record of 9-4. The best scores go to Mr. Kelly's football team, who finished the season with a very impressive 6-1 record. Hopefully the players will join next year, as they have a great deal o talent to offer to the varsity teams. **By Allen David**
